Webelos Woods Frequently Asked Questions

What is Webelos Woods?

- Webelos Woods is a great opportunity for 4th grade Webelos Cub Scouts to learn about Boy Scouting.
- It is a weekend campout that exposes the Webelos (and their parents) to camping using the Patrol method in a Boy Scout led outdoor adventure, supervised by adult Boy Scout leaders, and with parents nearby.

Why is Webelos Woods important?

- Gives the Webelos more independence and self-reliance than in Cub Scouts.
- Webelos Woods is often the first opportunity for 4th grade Webelos Cub Scouts to learn about Boy Scouting.
- Gets the Webelos excited about bridging to Boy Scouts and staying in the program.
- Builds relationships between Cub Scout packs and Boy Scout troops.

What will the Webelos do at Webelos Woods?

- The Webelos will fulfill all requirements to earn TWO Adventures!
- The Webelos den will be in a patrol with youth Boy Scout patrol leaders.
- The patrols will each have their own campsite - they will tent, camp and cook for themselves.
- As a patrol they will participate in scout skill-building stations, a Cracker Barrel and a campfire.

What do Webelos parents do?

- The Webelos adults will be in a patrol with adult Boy Scout patrol leaders.
- They will be in their own campsite close to their sons, but far enough that the Webelos will be on their own.
- This is a Cub Scout camping event so there should be one adult for every Webelos Scout. "Substitute parents" or one adult being responsible for two scouts is also acceptable, but check with the troop.
- With your adult patrol, you will also tent, camp and cook for yourselves.
- There will be time for fellowship with the adult Boy Scout Leaders so you can learn about the troop and how it operates.
- Special events for parents, such as a hike and Troop Committee Challenge training!

Where do we get equipment and food?

- The troop that you attend with should supply equipment for the Webelos and the parent patrols.
- You will have to supply your basic needs, such as a sleeping bag and mess kit.
- The troop will determine the menu for the weekend and let the pack know the cost of the meals.

What do the Boy Scout do?

- Boy Scouts, both youth and adult, act as Patrol Leaders for your patrol. They will lead and teach you.
- Boy Scout Staff members will be headquarters. They will help at the stations and ensure the campout is a success for all attending.

Where do I get more information?
