- How can Kaposia district better serve you as you lead your unit?

- Trained leaders are an important part of a successful Scouting program. What can we do to encourage leaders to get trained?
- Currently Kaposia has many Activities (calendar is at <http://kaposia.nsbsa.org>) Are there any events you'd like to see added or discontinued? Please explain why.
- Occasional emails are sent to all Kaposia leaders. How do you feel about the frequency of these emails? (too many, too few, just right) Is the content of these emails helpful? Why or why not?
- What changes, if any, can be made to the District website to make it more useful to you?
